

will be hosting their

ANNUAL PUBLIC FORUM

on

Thursday 11th April, 2013

at

**St Wilfrids Hall, Pevensey Bay
14:00 – 18:00**

The Forum consists of mounted poster displays describing each organisation's activities. Representatives will be on hand to discuss pertinent issues and offer advice & information

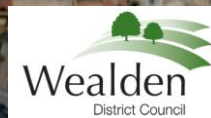

- * Describing progress made to date
- * Regular seasonal maintenance activity
- * What works can be expected in the future

Other Organisations with displays relevant to life in the Bay include;

- * Community Flood Warning systems
- * Flood risk mapping
- * Refurbishment of Pevensey's sea outfalls
- * Local fisheries & biodiversity

- * Planning for Emergencies

Hastings & Bexhill Wood Recycling Project
Showing just how useful discarded timber can be
